Disclosure Officer's Certification I certify: <ul style="list-style-type: none"> That any relevant unused material has been recorded and retained in accordance with the CPIA 1996 Code of Practice (as amended). That such material as is non-sensitive is shown on the schedule above. And that to the best of my knowledge and belief items 1 in the schedule might reasonably undermine the case, or assist the defence with the early preparation of their case or at a bail hearing, because entry 2 states victim no longer supports Police prosecution, wanting to drop the charges.
